The screenshot shows the Zynix dashboard interface. On the left is a navigation sidebar with items: Dashboard, Client, Employees (selected), Projects, Policies, Accounts, Payrolls, Reports, and Settings. The main content area has a search bar at the top. Below it are three summary cards: 'Software development' (45 applications, 25 in last week), 'Finance & accounting' (38 applications, 10 in last week), and 'Creative design' (25 applications). Below these cards are tabs for 'All', 'Accepted', and 'Rejected'. A table lists three employees with their details:

Employee	Rating	Activity	Category	Date	Files
Charlie Kristen	4.0	Design Challenge	Creative design	12/02/23	3 files
Malaika Brown	3.5	Screening	Finance and accounting	10/01/23	3 files
Simon Minter	2.8	HR Round	Software development	04/01/23	3 files
